

ADVISOR Enterprise Training Planning System

Training Alignment Sample Report

Identifies training creep (i.e., instructions that do not support a clearly defined goal) as well as duplication by mapping Teaching Points within each training program (course) to tasks and performance objectives.

Align Instructional Goals to Performance Objectives

Parameters: Courses
January 01, 2009 to December 31, 2009

Prepared by: Jay Bahlis

Date: November 05, 2009

Training Point	Length	Knowledge/Skills	Enabling Objective	Performance Objective	Job Title	Tasks
Aircraft Commander Course						
Communicating with appropriate agencies	6	Communicating with appropriate agencies	Produce Mission documentation	Conduct Pre-Mission Planning Duties	A/C Test Report	Produce Mission documentation
Introduction to CNI-MU	2	CNI-MU	Produce Mission documentation	Conduct Pre-Mission Planning Duties	A/C Test Report	Produce Mission documentation
Briefing/Debriefing Techniques	4	Briefing/Debriefing Techniques	Produce Mission documentation	Conduct Pre-Mission Planning Duties	A/C Test Report	Produce Mission documentation
Aircraft Systems	4	A/C Systems	Complete Pre-Flight Inspections	Conduct Pre-Flight Duties	A/C Test Report	Complete Pre-Flight Inspections
Aircraft operating limitations	4					
All Weather Operations (Hot, cold, icing, desert, tropical)	6	All Weather Operations (Hot, cold, icing, desert, tropical)	Complete Pre-Flight Inspections	Conduct Pre-Flight Duties	A/C Test Report	Complete Pre-Flight Inspections
Accomplishing Checklist Procedures	6	Accomplishing Checklist Procedures	Complete Pre-Flight Inspections	Conduct Pre-Flight Duties	A/C Test Report	Complete Pre-Flight Inspections
